

Formal

A non-ryegrass quality ornamental mixture for all quality lawns

Formal mixture with its inclusion of rhizomatous grasses provides resistance and strength to the sward. It is ideal for hard use on non ryegrass ornamental lawns and landscaped areas.

Formal is a mixture of 25% Wagner Chewings Fescue, 20% Smirna Slender Creeping Red Fescue, 50% Heifrun Strong Creeping Fescue and 25% Polana Browntop Bent.

Perfect for quality lawns and landscaped areas and with the added benefit of reduced mowing.

Strengths

- Quality lawns and landscape areas
- Fine appearance
- Reduced mowing
