

Stallion Paddock Mixture

Formulated to withstand hard wear

The Stallion Paddock mixture is formulated to withstand harder wear whilst still maintaining a dense, springy and nutritious sward. It contains turf type ryegrasses, which are rated very well for their wear tolerance and early growth.

Mixed to order, delivered in 5-7 working days

Strengths

- Formulated to withstand hard wear
- Dense, springy, nutritious sward
- Contains Ryegrass for early growth
