

Stud Paddock Mixture

Especially suitable for mares and their foals

This mixture is designed to produce a good, well balanced sward especially suitable for mares and their foals. The deep rooted herbs will improve the calcium and phosphorus levels, being two of the more important trace elements and therefore important for the growth and bone development of young horses.

Mixed to order, delivered in 5-7 working days

Strengths

- Especially suitable for mares and their foals
- Contains important trace elements
